\$1 from every beer sold is donated to the CRAFT Cares Team Support Fund.

The **CRAFT Cares Team Support Fund** provides assistance to Team Members who are in urgent need. The fund was established in March 2020 in response to the pandemic which forced the closure of our restaurants across Canada. 100% of funds go directly to support Team Members in need. To date we have distributed \$25,000 to help with the cost of medical care, groceries, housing and more.
